Re: Plinsky v. JP Morgan Chase & Co.
07 C.V. 3328 (CM)

Dear Judge McMahon:

Our opposition papers addressed to defendant's summary judgment motion are due tomorrow. For reasons related to my health and because we have to coordinate our response with a doctor, we need more time.

We request, therefore, that we be allowed until May 30, 2008 to file an opposition.

Defendant consents to this request.

Your courtesy is appreciated.

Respectfully submitted,

Arthur Z. Schwartz
